

## Press Release August 2011

### Peter Miller – Australian finger style guitarist

*"Peter Miller's music paints pictures in the air of the wonders of our planet, the joy of life and the emotions most of us find hard to describe."*

**Charlie McGettigan.**

**Ireland**

*"...distinctive fingerstylist, unique compositions"*

**Michael Fix.**

**Australia**

Queensland based finger-style guitarist Peter Miller is known in Australia and Ireland for his delicate touch and for his beautiful melodic sensibility. Peter has toured Ireland and Europe on numerous occasions where he has shared the stage with Legendary song writer John Spillane, piper Eoin Duignan, Slide player Clive Barnes, Stephen Housden ( Little River Band) and many more. He has also supported the great Pierre Bensusan, more recently, He has played both the National and Australian Celtic Festivals. Peter was also one of the featured instrumental virtuosi at the 'Loves Songs To Tasmania' concert at the Cygnet 2010 Folk Festival . He has also appeared at Illawarra folk festival joining the guitar wizard's show. Bahrain is yet another destination Peter has performed. A chance meeting with a promoter saw him playing at the United Island festival in Prague in 2011. Peter has appeared CloughJordan Festival, National Culture Day in Wexford and many more places throughout Ireland.

*"I've been fortunate to play guitar for Irishman John Spillane a number of times now, He's great Craic as they say over there, I also played at Gavin Moore's sitting room sessions with Steve Housden of Little River Band fame, I think I have played almost every county in the country, I'm completely spoilt when I tour Ireland."*

His music has appeared world wide on Film and Television including Cult UK show 'Skins' and has been chosen for a new film 'Will's diaries', another UK production. Peter's guitar tracks have appeared on compilation CDs worldwide. also receiving a two page write up in Italian music magazine 'New age & New Sounds'. Peter is a regular on the South East QLD music scene playing venues and wine bars throughout the region. His spatial track 'View from the N16' has been chosen for an episode on the new Dallas DNA crime show in USA

Peter's Music is a must see for lover's of guitar music...
